SUBSTITUTION OF DRAWINGS

Commissioner for Patents
Washington, D. C. 20231

Dear Sir:

Applicants enclose a supplemental mailing of four (4) sheets of substitute drawings, **Figures 1-6**, to be substituted for those same or similar earlier-filed drawing figures, in the above-referenced application. These drawings are being filed before a first Office Action on the merits and not later than fourteen months from the earliest filing date for which any priority benefit is being sought.

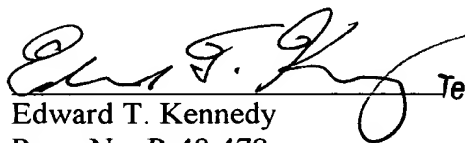

These drawings are the same as those mailed by Applicant on June 12, 2001. The reason for this supplemental mailing is to correct the inadvertent omission of the registration number and contact information beneath the signature of Applicant's representative.

It is believed that no fees are due with this submission. However,
should any fees be due, please charge them to Deposit Account No. 24-0037.

Respectfully submitted,

FAY, SHARPE, FAGAN,
MINNICH & MCKEE, LLP
